Online safety:

In the coming weeks/ months we will be doing a number of different things to increase awareness of online safety for staff, students and parents. Year 11 started us off with an assembly for the secondary

students on the new rules imposed by Instagram for teenagers. This was a very informative assembly. Thank you Year 11.

TIPS FOR STUDENTS

DIGITAL CITIZENSHIP AND INTERNET SAFETY

<p>1 LAWS Many sites and web tools are 13+. Most images and work online are protected by copyright. </p>	<p>2 TALK Tell your parents what you're doing online. Always ask a trusted adult if you're unsure of anything. </p>
<p>3 FRIENDS Don't add or meet online friends without parent permission. Don't trust everything friends tell you. </p>	<p>4 PRIVACY Keep personal info private: Your full name, Address, Phone number, Passwords, Your plans and birthday. </p>
<p>5 REPUTATION Don't post anything you wouldn't want teachers, family, friends, and future employers to see. </p>	<p>6 QUESTION You can't believe everything you read and see online. There's a lot of incorrect and biased info. </p>
<p>7 BULLYING Tell someone if you think cyberbullying is happening to you or other people you know. </p>	<p>8 ACCOUNTS Choose sensible email addresses and usernames. Use strong passwords and don't share them with others. </p>
<p>9 MANNERS Be polite and respectful at all times. Treat others online how you'd like to be treated. </p>	<p>10 UNPLUG Balance your screen time and green time. Get outdoors, move, play, and interact face to face. </p>

If in doubt, **think** about and **talk** it out
