Hello Everyone,

Today we celebrated “World Teachers Day” and what a celebration it was. Our assembly started with Miss Yon-Bowers, Miss Young and Mrs Roberts telling us about their time as students at TBS and how it now feels to be on the other side as staff members. It was inspiring to hear their stories. Thank you to all staff for your contribution to TBS. Mrs Roberts has given 36 years, Mr Duncan 29 years, and myself 17 years!

There was then much fun and laughter as teachers were presented with their portraits drawn by Year 10 and Years 3 & 4. All staff received a gift bag that had been filled with gifts given by students and parents. We were overwhelmed by the number of gifts, chocolate and cakes we received. On behalf of all at TBS, thank you! We felt well and truly appreciated.
